## LFG After School Program

### WHERE GAMERS GATHER

The **LFG After School Program** is a service for parents and kids, providing a supervised environment from 3pm to 6pm on weeknights.

Kids can come and do their homework with the assistance of a trained professional Educator to assure that they get the most from their educational opportunity.

Once finished, they can play with their friends in LFG's Gaming Centre until their parents' busy work day is done.

The **After School Program** provides a distraction-free room supervised by a trained professional Educator who can assist your kids with their homework before being rewarded with time to play their favorite computer games.

The **After School program** is available for a daily rate of \$25, or take advantage of our weekly discount rate of \$100 or the monthly program at only \$375!

Call us for more details today.
