

What is LFG?

LFG Games is a cutting edge networked gaming centre located in Old Pickering Village. We offer our customers an exciting atmosphere in which to meet friends, play head-to-head against other people in LAN-based, Internet-based and Massively Multiplayer games using the latest in custom built gaming PCs with features beyond what most people get to experience in the home.

Whether your looking for a little excitement with your favorite 1st person combat game online, or planning a full scale invasion of your favorite fantasy world, we offer a safe, clean, monitored environment for your gaming pleasure.

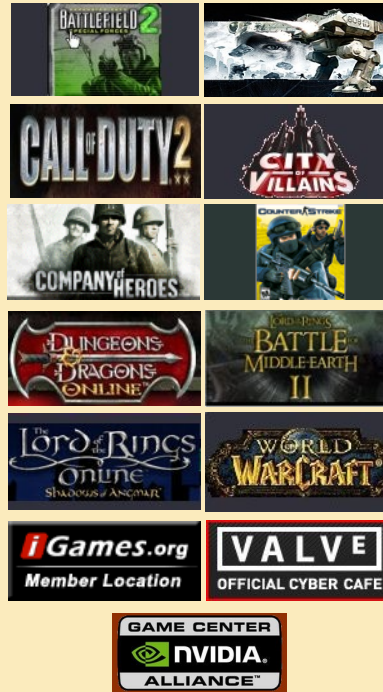

LFG Business Services also provides consulting and other services:

- Wired and wireless LAN design
- Custom PC sales and service
- Local and wide are network management
- Data modeling and design
- Application installation and support
- Provide facilities for training courses or media presentations of up to 20 people
- Access the Internet for browsing, email or downloading
- Work on the Microsoft Office application of your choice
- Produce digital, printed or faxed reports, photos or other media
- Create music and movie CD's and DVD's
